

Altra Sede Regione Lombardia

Owner: Regione Lombardia
Building supervision: Infrastrutture Lombarde
Architect: Pei Cobb Freed & Partn., Caputo Partnership, Sistema Duemila
Structural Eng.: Prof. Ing. Franco Mola
Contractor: Consorzio Torre
(leader: Impregilo Spa 94,6%)

Execution details

Product: CBLM, length 13,60 m
Surface: ~35.500 m² in 39 floors
Max. span: 9 m
Slab thickness: 35 cm
Hollow cores: PE HD spheres Ø 27 cm

Benefits

Main reason: speed of execution
Elimination of beams
Reduction of slab thickness
Reduction of steel content: more than 30%

Special features

Curved layout
The CBLM linked cage modules are adapted to the layout

Year of completion

2009
